## WEDNESDAY EVENING STUDY

Pastor Blakeburn is leading a video Study on Wednesdays at 6:30 p.m. The video study, *The Case for Easter* by Lee Strobel, is a compelling, evidence-based study that examines the historical events surrounding Jesus' crucifixion and resurrection. Drawing on expert testimony and historical sources, Strobel explores whether Jesus truly claimed to be the Son of God, whether He actually died on the cross, and how the empty tomb and eyewitness accounts support the truth of the resurrection. We hope to see you there! **Upcoming dates: April 15, 22, 29.**
